

WHAT DO YOU KNOW ABOUT HIDDEN WAR

HAVE YOU:

Ever taken part in rehearsals for nuclear or war emergency?

Got an air-raid shelter/bunker at home or at work?

Been a member of Civil Defence?

Ever followed instructions for nuclear emergency?

Been involved in building or using war defences?

WE WANT TO HEAR FROM YOU!

METIS are investigating the uses of all the spaces in Cambridge built or used for war defence: *air raid shelters, bunkers* both domestic and civil, *pill boxes* and so on – past or present – for *The Bunker Project*. In this unique Heritage Lottery-funded project, we are recording experiences of such places for posterity from May 2007. The memories and experiences you tell us about will be shared with the wider public through a website, DVD, exhibition and performance event. We are working with a local theatre production company, **SCAMP**, to deliver the project.

METIS: is a Cambridge-based creative enterprise set up to develop arts-led responses to interdisciplinary research. A fascination with maps, space, technology, travel and history drives our work in a variety of media, with a focus on the development of networks and communities.

Please contact: admin@scamptheatre.com

SCAMP 44 Church Lane Arlesey, Bedfordshire SG15 6UX. Telephone 01462 734843 Or see www.metisarts.co.uk / www.thebunkerproject.info

We are also looking for volunteers to help us with our research (training provided)
